

SALISBURY DISTRICT

*United Methodist Church
Peninsula-Delaware Conference*

Rev. Dr. Rob Townsend
District Superintendent

211A Phillip Morris Drive
Salisbury, MD 21804

July 26, 2018

Pastors and Lay Leaders of the Salisbury District,

It is my honor and privilege to be back on the Salisbury District serving you as the District Superintendent. I pray these summer months have been a break from the regular church routine and you have been able to be refreshed by some extra Sabbath time.

This fall brings us to Charge Conference season again. There is always quite a bit of meetings and paperwork to fill out for Charge Conference. I hope you do not see it as drudgery, but as words on a page celebrating the ministry of your church for the past year. God has been moving in our district and it is time to celebrate.

Last year, many of you were introduced to a cluster model of having charge conference. It was a way for many congregations to acknowledge the same callings to share the grace and love of Jesus with the same hurting and broken communities. For many of our district churches, we will be continuing this model. For other churches, the single church/charge conference will take place this fall.

Enclosed in this packet, you will find the charge conference schedule and a worksheet of forms to be included in your packet. The forms can all be found on the conference website. Please pay attention to the order when assembling the packet. This year, we will be highlighting the ministries of our congregations up front. As always, please have a completed packet in the District office a week before your charge conference date.

May God bless you as you gather leaders of your church to assemble these packets and prepare for charge conference. Consider it an offering to the Lord and a celebration of all that God has done through you this past year.

I am looking forward to praising God with you during your charge conference.

In Christ,

Rev. Dr. Rob Townsend
