

Attention Seminary Students  
of the Peninsula Delaware Conference!  
Scholarship Opportunity

In November of 2010, Trinity United Methodist Church honored the Rev. George R. Patterson by establishing a scholarship fund in his name with The Community Foundation of the Eastern Shore, Inc. The scholarship fund has grown to just over \$100,000 dollars. This scholarship fund will benefit only United Methodist ministerial students from the Peninsula Delaware Conference currently enrolled in seminary as they work toward earning a Master of Divinity Degree. This fund will annually provide approximately \$5,000.00 dollars for a qualifying student (s).
